## ***Credit Valley Wolf Cubs Select 6 2011 Faustina Champions!***

**With hard work and determination comes VICTORY!**

One sick player and a short bench aren't usually good for winning championships, but our determined team gave their all in the run to win the Gold Medal. In the FINALS, we had a nail biter until the end. Leading 2-1 going into the third our team persevered and our goalie made some key saves in the last couple minutes. The Faustina Team pulled their goalie to apply the pressure and we broke out and scored an empty netter! Now it was 3-1, but we were not done... With seconds left the puck went in again as the buzzer was about to go off! The players all piled on the goalie in celebration of the 4 - 1 final score.

**Congratulations Select "6" Team!**
