

Select 6 and Cubs Club Hockey School

This program was 1st launched in 2007 which grew and modified into our very successful **Wolf Cub select 6 team** combined with our own **Cubs Club** hockey school for our houseleague Wolf Cub players.

The purpose of this program will be to learn the rules of hockey. (i.e. offsides, icings and penalties) Focus will be on skill development in skating, shooting and passing, then progressing into positional play. This program will be limited to 30 Credit Valley Wolf Cubs players.

The program costs are broken down for the 2 groups:

1. Wolf Cub select 6 all-star group
2. Cubs Club hockey school group

The select six Wolf Cub group will get:

1. Wolf Cub select 6 All-star jerseys & socks
2. Fifteen practices
3. Fifteen exhibition games with certified referees and timekeeper
4. Two or three tournaments (2 local & 1 out of town)

The Wolf Cubs Houseleague Cubs Club Group will get:

1. Fifteen practices

This is the minimum commitment. In previous years our team progressed so well we took on more practices, games and exhibition games vs. Milton, Georgetown, Ajax, Pickering, West Mall, Kitchener, Orangeville and Barrie. We plan on having surprise guests and treats for the players at the practices.

The practice and home exhibition ice times will commence around the 3rd weekend in September. Watch the Credit Valley website.
