Sponsorship Program

To Whom It May Concern:

Please accept this letter as an introduction to the Credit Valley Wolves Minor Hockey Association Sponsorship Program.

This program allows the Credit Valley Wolves Minor Hockey Association to give our children the opportunity to play the sport they love while learning important life skills including teamwork, respect, and sportsmanship, all essential tools that will help them develop into fine adults.

Our goal at the Credit Valley Minor Hockey Association is to deliver a successful year of grass-roots minor hockey focused on *fitness, fun and friendship* without the distractions of politics, economics and other issues that take away from the enjoyment that we know the game can and should provide. We also recognize the high cost of hockey and we strive to return great value to our players and families.

As a not-for-profit organization we rely on sponsors, sponsorships, fundraising and the generosity of individuals to financially support our programs. The support of dedicated volunteers giving countless hours of energy and time helps build a strong organization that in turn raises stronger citizens.

Without the continued support received from businesses within our community, many of our goals would be impossible. It is a rewarding feeling knowing that you have contributed to the development of children in sports, both physically and emotionally.

As a sponsor, your company name may be publicly recognized in a variety of ways, including silk screening on the back of our player's jersey and free advertising on the Credit Valley Wolves website.

Should you have any questions, please do not hesitate to contact our organization at info@creditvalleywolves.com or (905) 785-0273.

Thank you,

Robert Day
